E.L. Publications proudly presents...

In keeping with our tradition of bringing you the best in **growth-related erotica**, we are proud to present our latest creation: *Tremendous Tit Tales*! This is a **new** series of adult fantasy books, books which have not been available—not even been *seen or heard of*—until **now**!

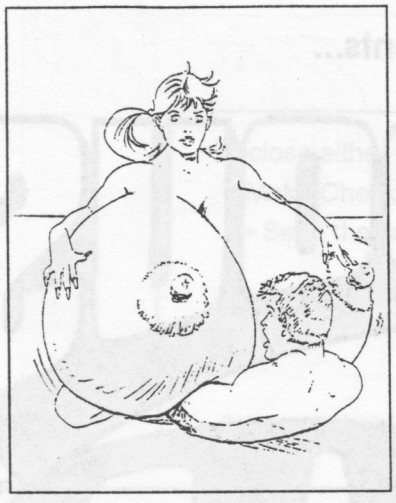
The female characters in these stories range in personality from "cute 'n cuddly", to "femme fatale"—yet they share one theme in common: Whether accidental or intentional, all acquire the awesome power to *enlarge their breasts*...bigger...and *bigger*...and *BIGGER!*

A lot of work has gone into these books: Each has been brilliantly written and beautifully illustrated. In particular, the descriptions of breasts—*growing* and *bursting* out of bras, blouses, and *rooms*(!)—are *the best* we've seen *anywhere* (and we don't say that lightly)!

It gets even better! We are introducing these books at the low price of **ONLY $6.95 EACH**!

AND...just to sweeten the deal: **BUY ANY 6 BOOKS...GET A FREE COPY OF "BOOBY TRAPPED"**! "Booby Trapped" is a **special issue** of *Tremendous Tit Tales*—it is **NOT FOR SALE**, and it is **ONLY AVAILABLE THROUGH THIS OFFER**!

So here they are, in all their glory: **8 electrifying stories of magnificent, mammary growth**! →



"The Blooming of Bonnie"

Bonnie has just turned 18...yet her breasts have grown no more than mosquito bites. However, all that is changed by a freak accident, which makes her boobs e-x-p-a-n-d each time that she gets horny! And the larger her bustline grows, the hornier she gets! Bonnie's new boobs attract the "Big Man On Campus"—but when he starts making out with her, he discovers that Bonnie's tits can grow bigger than his "student body"!

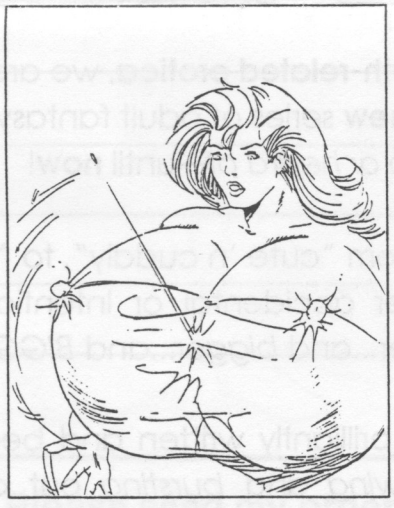
"Big Boob Clinic"

When the beautiful "Dr. Janice" tells Craig that she can enlarge his wife's breasts to mammoth proportions—he is skeptical, to say the least! The doctor proves her point(s) by locking Craig, herself, and two of her female colleagues in a padded room. Craig is soon surrounded by six growing, expanding, milk-gushing breasts! He is then titty-whipped into signing a consent form—allowing the doctors to similarly endow his wife!

TTT #2 - 27 pages, 5.4 x 8.5" - $6.95



"Barbara's Bewitched Boobs"

To call Barbara "fickle" would be putting it mildly: this dame is as cold and calculating as Einstein in a freezer! Yet, in bed, she's as hot as molten lava slathered in pepper sauce! She meets her match in the form of a mysterious man, who runs a strip-club filled with whoppingly-endowed women! Barbara has sex with him—and her breasts become hexed! He's the only one who can stop her boobs from growing...and growing!

When he gets there, he finds that beautiful Jessica is eager to accept his advances...perhaps too eager? When Jessica's breasts start g-r-o-w-ing—and then gushing milk—Brian thinks he must be dreaming! But the dream soon turns into a nightmare, as she sucks his energy into her tits!

Her hormones also go wild, and she screws the doc like crazy! The doctor's wife catches them in the act—yet the Mrs. and the Mistress team up against him... and use their huge nipples to cruel advantage!
